Selection & Deployment process

Final selection

We always prefer a selection of applicants either by oral or practical test to be conducted by the employer or his/her authorized representative. We arrange his/her/their accommodation, transport, and all other logistic support required for the purpose in case we are entrusted with the selection and testing of workers we normally do it with the help of them of experts for technical and professional categories under the direct supervision of our professional executives in our state of the art trade test center. Testing facilities for complex engineering functions are also available at our training Center premises in All Bangladesh by BMET in Adherence to the most modern processes and techniques in use at the time.

Web-Based Workers Management System

Here in Desert Life International Ltd. we maintain a custom-built web-based project Management application software in which our partners (Employers, Stakeholders of the projects, etc) can observe the progress of the processing work of each individual as it happens. We constantly are updating the file of each worker on our management application system. Once a project is inked, we provide the employer with a user id and password to access the system.

A) Documentation

Desert Life International Ltd. also assumes the responsibility of accumulating the necessary documents for the applicants or candidates. Documents such as passport copy, visa copy, bio-data, Photograph, Health Certificate, Academic Qualification certificates, Employment contact & other necessary documents are collected for proper representation of the clients each worker is deployed with his/

her own personal file which usually has the above documents. **Desert Life International Ltd.** also acquires necessary permissions from government agencies and legal institutions.

B) Validation of Proper documentation

Unlike other recruiting agencies we just don't merely collect documents and assemble those in workers' personal files rather we make every effort to check the authenticity of those documents on our clients behalf for an instance we check the authenticity of educational papers with education boards and verify police records to make worker deployed from our agency has clean records.

C) Medical Check up

After a candidate has passed the first stage of selection the worker/candidate is sent for a medical checkup in the modern and authorized center of the respective employment. These medical facilities maintain strict adherence to international standards. **Desert Life International Ltd.** looks into the matter strictly that every personnel positioned in the client's corporation and organization is in a sound physical and mental state. For Kingdom of Saudi Arabia prospective workers are required to undergo medical checkup at GAMCA approved medical centers as required by law.

Our workers usually undergo following check-ups.

Routing urine test

- **HBs Ag, TPHA HIV, Ant-HCV**
- **RBC.S BILIRUBIN, SGPT, SGOT, Creatine Cholesterol**
- **WIDAL TEST**
- **X-RAY, TB**

D) Application and receipt of visa

On behalf of the selected candidates, **Desert Life International Ltd.** applies for the visa in the respective embassy as authorized by the employer for countries like UAE, Qatar, and Oman we send complete set of documents so that our clients can submit those for visa at their respective ministries of that particular countries for processing.

Upon Receipt of visa **Desert Life International Ltd.**

Will match the employment contract with the final contact clause to protect the rights of the employee Will prepare all documentation as per need Will process medical clearance from the well-reputed medical center Will collect his/her police clearance certificates

E) Orientation

Once visa confirmation arrived either from the Embassy or from the employer we send all of our prospective workers to undergo a rigorous orientation process. This is a new segment that has been introduced to enhance the worker's knowledge about his/her career.

This process usually takes 15-20 days in which we educate them about the below-mentioned criteria:

Educating themselves with the business entity they are about to serve, knowing the labor laws and other conditions related to the contract

- Do and don't for them during the employment contract
- Detail knowledge about the destination country's laws
- Knowing his/her rights and obligations
- Learn the operational language to sustain example: we teach them basic and sustainable language if so required. If the workers are to work for a Malaysia Management company and it is required that they know the Malay language we will try to educate them with a sustainable level of language and also give emphasis on learning the language even before being selected on our pre-selection interviews.
- Soft skill set development we strongly believe that an employer should be articulate enough to be presentable at work premises. We work with them about necessary soft skills development before their deployment.

F) Ticketing and Immigration

The Employer may send PTA or remit necessary traveling expenses in favor of **Desert Life International Ltd.** to facilitate traveling as scheduled, we obtain emigration clearance from the concerned government department for the candidates.

G) Departure

In time with orientation from an IATA-approved travel agency directed to reserve seats for the reported worker's employers are required to send the flight confirmation and PTA in favor of us to facilitate the selected workers.

H) Flight Schedule

Flight details in an advance at least 24hrs will be furnished to the (clients) employer in order to enable to arrange necessary pick up for the traveling workers.

- Deployment Schedule Upon deployment, we instantly confirm our clients via e-mail/Mobile SMS by sending deployment messages so that they may pick up the workers in due time.
- Follow up Our work does not end after the deployment of the workers. We make sure our workers are received by the company representative at the airport on time. We follow up with our client that our workers are employed and match their requirements should there be any crisis situation regarding job cuts or shedding of employees; we negotiate with both employer and employee to reach a common platform where both parties can win.
- If the recruited workers are proved to be unfit due to lack of medical fitness or due to lack of skills in their respective trades we usually replace the worker at our cost or act in accordance with an agreement made between concerned parties.

MD Abdul Mannan. I have been Completed Master's degree since 2007 from Madrasha Board, Dhaka at Bangladesh. I have been doing research on Manpower Business for the last 15 years. Now serving as a General Manager of **Desert Life International Ltd.**, RL: 0337. I am trying to be extremely prudent and accurate. (In the Visa system of Saudi Arabia) MOFA, Musaneed and Okala to complete all the activities for submitting the file to the embassy of SAUDI ARABIA in Dhaka-Bangladesh.

(Malaysian Method) After receiving an Employee's Calling, I would check his medical fitness, Police Clearance, Calling verification and whether the visa form is correct: Submission for visa stamping at the embassy.

Then Collect of 'Training Certificate' by the "Technical Training Centers" for his going abroad, collection of BMET finger and hand over to the Manpower Representative.

Upshot, it is our Primary responsibility and duty to carry out all the tasks related to Medical fitness, Visa Stamping, Manpower Clearance and Air Ticket in collaboration with other colleagues after an employee coming at the office.

I'm personally Wish that, **Desert Life International Ltd.**-RL-0338 a secure future and success.

22/06/2022

MD Abdul Mannan
General Manager

I'm Md. Sarwar Hossain. I'm working as an Accounts Officer in **Desert Life International Ltd.** RL: 0337. I keep all kinds of financial accounts in the office including visa, passport & Medical fitness. I'm doing this very responsibility. I also support other office work for the overall development of the office and to facilitate customer service.

I wish the future success.

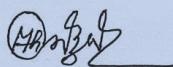

Md Sarwar Hossain
Accounts Officer

I have been doing my job as a Medical Executive Officer. When a Passenger Complete his Medical Test by GAMCA and when he pass successful with fit. Then my agency prepared a MOFA for deposit to GAMCA Medical center. Everyday I collect this MOFA paper from my office and deposit to different GAMCA Medical center. After two working days I collect Medical update fit card for ready passenger visa Stamped. I'm working this by responsibly & sincerely.

I wish that to progress & every success in future of **Desert Life International Ltd.**

Muhibul Hasan Monzur
Medical Executive

When Completed Visa Stamping from Embassy & a worker complete Finger from BMET then I started my work for BMET Clearance such as File put up, Bank pay order, all officers work for BMET clearance. I'm doing this sincerely & accurately.

I wishing that improvement & development of "**Desert Life International Ltd.**"

Md Yeasin Arafat Sohan
Office Executive
